## Make An Origami Triangle Box

You will need: three small pieces of square paper.

1. Take a square of paper and fold it in half.
2. Fold down the top corners and open again.
3. Now fold the bottom point and open again.
4. Make two more of these triangles, by repeating stages 1 to 3.
5. Link all three triangles in a circle by overlapping one inside the other.
6. Complete the circle and open out into your origami triangle box.
